Looking Forward

We are proud to present the 2024–2025 Academic Excellence Annual Report, highlighting the collaborative efforts of the Library, Learning Centre, Teaching & Learning Innovation Hub, and the new Academic Integrity Office that make academic excellence possible. From expanding library resources and study spaces, to providing tutoring and learning strategies through the Learning Centre, to fostering academic honesty with the new Academic Integrity Office, and driving instructional innovation through the Hub, the Academic Excellence team is committed to supporting both educators and learners every step of the way.
